Wholesale Price List
of

**AMERICAN AND
HOLLAND-GROWN
FLOWER BULBS**

DEAR FRIENDS:—

We are again handing you herewith our annual Bulb Catalogue for 1947.

The reports that we have received from Holland are that this last winter has been

extremely severe, but fortunately the expected damage to the bulb crop in Holland on account of the severe frost has not come through and the stock of Hyacinths and Narcissus is good, while the stock of Tulips is expected to be outstanding.

Our catalogue again covers the general rank and file varieties of Holland bulbs in which we have omitted some varieties from our last year's list on account of their inavailability while some new varieties that have come through have been added, and it has been our endeavor to keep our price list up-to-date in every respect.

There are two new parts to our catalogue this year and they are American Grown Narcissus and Gladiolus for which we have outstanding connections in as much as these bulbs are grown for us by our family Organization.

The American grown bulbs are offered to you F.O.B. Newark, N. Y., and will be ready for shipment the latter part of August or the beginning of September and should give a splendid opportunity to those who desire to pre-cool their own King Alfreds.

In regard to the Gladiolus, we expect these to be ready for shipment from December 1947 on and when placing orders it would facilitate matters if our customers would specify their time of delivery desired.

It is with great pleasure I inform our friends that my family has, early this year, arrived from the Netherlands and are taking active part in the growing of our bulbs in this country.

We are looking forward to the pleasure of serving you again and assure you that your orders will not only be appreciated, but will have my personal and continued attention.

Cordially yours,
SCHRAVENDEEL & SEGERS SONS, INC.
A. Schravendeel, President.

Orders reaching us before
July fifteenth will be packed
separately in Holland. Have
your orders reserved and
packed for you there.

MENDEL TULIPS

Many of these varieties are very adaptable for forcing for cut flowers during the month of January. They should never be grown in the dark, as they will produce nice flowers on fairly tall stems, even at this early date. They need only about three weeks from the time they are placed in the greenhouse until they flower. Temperature recommended about 70 degrees Fahrenheit.

TERMS OF SALE

All prices quoted in this Catalogue are net, subject to market fluctuations, and may be changed without notice.

We give no warranty, express or implied, and will not be in any way responsible for the results of any bulbs or roots we send out, in planting or forcing. If the customer does not accept the goods on these terms, they are to be returned at once.

Should a variety be ordered that is not quoted in this Catalogue, we will do our utmost to supply same true to name and in the best quality available.

If such a variety should have been discontinued by the growers in Holland, we reserve the right to substitute same with a newer kind, coming closest to the variety ordered and under the true name. If this arrangement is not desired by customers, please state so in the order.

All accounts are due 30 days from date of invoice. 2% discount will be allowed for payment within ten days from date of invoice. Payments are to be made exclusively to Schravendeel & Segers Sons, Inc., at 44 Whitehall Street, New York 4, N. Y. Unknown correspondents, desirous of opening an account with us will please give trade references, or send cash with the order. If C. O. D. shipment is desired a part payment of not less than 50% of the amount ordered, should accompany the order. A 5% discount is allowed to customers sending cash with order.

All goods are sold F.O.B. New York, unless otherwise agreed upon, and travel at purchaser's risk from there on.

Customers for Chicago and West of Chicago desirous to buy F.O.B. Chicago or West Coast Points, please add the following to prices quoted:

Hyacinths	\$5.00 per 1000
Tulips	2.50 " "
Narcissus	7.50 " "
Crocus	1.00 " "

All goods are sold subject to partial or general failure of crops, loss by fire, frost or travel, or any other cause beyond our control.

By placing orders buyers are considered to agree to these terms.
